Wilderie Fabrics and Wallcoverings Collections

Enter Emma J Shipley's uncharted land of curious creatures inspired by myths, legends and the unique beauty of the natural world. Shipley is a British artist and designer who studied at the Royal College of Art, and has always had a love of nature, and a fascination with mixing imagination and reality. This is the designer's second collection for Clarke & Clarke, continuing on from Animalia. Wilderie is a fantastical, nature-inspired collection that travels from Africa to America via British fairytales, always with a touch of surreal fantasy.
